TO MEDIA: You do not have to come on Thursday. You should be at church by 8:15am on Sunday morning.

TO THE SOUND MEN:

You are a part of the band you have been assigned to. You will have to arrive 30 minutes early on Thursday nights to set up and we will leave it set up thru Sunday. If you are scheduled for Sunday, we want you there on Thursday night. Work with Andrew Smith on his aspect of the paradigm. Andrew is the Foreman & Overseer of Sound.

TO THE SPECIAL MUSICIANS:

Whenever possible, try and match the sermon theme. I am willing to buy tracks for you if need be. We can also accompany you with live music if it is manageable, but you will have to come to the rehearsal on Thursday night with the music and a recording. Sound checks are still on Sunday morning. If you check with Pastor Trout, he can tell you the theme of the sermon for a particular Sunday.

TO PRAISE BAND MEMBERS:

If you cannot make it to a rehearsal send a sub (see the list). That sub then plays on Sunday for you. If you cannot attend Thursday night, you cannot play on Sunday. If you make a good effort to find a sub and come up short, contact me and I will find or hire a replacement if I need to.

MUSICAL DIRECTOR AND PLATFORM LEADER:

Every praise band will have a musical director and a platform leader. In the event of my absence, the musical director will run the rehearsal and the platform leader will lead the worship part of the service. Music binders will be in the main office and available for check out on Wednesday afternoons.

Third Sunday Band “Psalm 98”	Amy Doerman	Amy Doerman

Note: We want to schedule the same band on the same Sunday on a regular basis so we can click into a pattern.
